## **Planet Payment, Inc. Share Issue**

Planet Payment [LSE:AIM: PPTR and PPT], a leading international multi-currency payment and data processor, announces the following changes in its issued share capital.

The Company has applied to AIM for 56,884 new Common Shares to be admitted to trading under PPT, the unrestricted line. The Shares are being issued as a result of the exercise of warrants, which were granted in 2003. Further information on the transactions and instruments giving rise to the above share issues is contained in the Company’s admission document and published audited financial statements.

The warrants were exercised under the cashless exercise method, as a result of which a total of 53,116 Common Share warrants were cancelled, in consideration of the issue of the remaining Common Shares under those warrants.

Following the admission of all of the above shares the Company will have a total of 26,724,887 issued and outstanding Common Shares of which 16,455,390 Shares will be trading on AIM under the ticker PPT, the unrestricted line and 10,269,497 Shares will be trading on AIM under the ticker PPTR, the Reg S line.

Dealings in the above shares are expected to commence on 14<sup>th</sup> July 2008.
